Summer Reading Assignments

All returning students and newly enrolled 9th graders are expected to complete a reading assignment over the summer. ***You will find a copy of the Summer Reading Assignment*** on the Academics tab of our website. The purpose of the reading assignment is for our students to maintain their current reading levels and skills over the summer.

Please bring the completed reading assignment with you to your first English class in August. This assignment will provide your teacher with a writing sample and you will earn a bonus English grade for the first quarter.
